Working for the Greater Good: Older Workers & the Integrated Workforce System

12/11/2018

Moderator: [LaMia Chapman](#)

Speaker: [Steve Rietzke](#)

This webinar provides a high-level overview of the understanding of SCSEP's role in the workforce system. Senior federal managers introduce the virtual conference and provide key updates from the Employment and Training Administration.

The senior leadership team from the Office of Workforce Investment (OWI) will highlight SCSEP's role as an important program serving the needs of older adults with multiple barriers to employment. This session will give conference attendees insight into the senior leadership team's perspective on maximizing our partnership with Workforce Innovation Opportunity Act (WIOA) programs to deliver more integrated services to older workers.
